PRE-BUY AGREEMENT

I agree to purchase 4000 gallons (minimum 400 gallons) of propane for $ 2.199 per gallon (call office for pricing) to be delivered between October 1, 2026, and April 30, 2027. We do our very best not to let our customers run out of gas, but due to factors out of our control, run outs are possible and will be handled immediately with no extra charge for emergency delivery If you should require maintenance on your heating system due to a run-out, Jernigan Oil Co. Inc is not responsible for such repairs.

TERMS OF AGREEMENT

1. I must have purchased at least 300 gallons during the previous calendar year.
2. I will allow Jernigan Oil to monitor my tank to help prevent run outs. While doing so, they will fill my tank when they deem safe and necessary to keep me from running out of propane.
3. I understand that I should check my tank regularly and call the office if my gauge reads 15% or less as computer forecasting could be inaccurate due to multiple factors. (i.e. adding a new appliance, drastic weather changes, or variable usage.)
4. If I purchase more gas than I need for this heating season, I will have a monetary credit balance with Jernigan Oil which will be carried over to next season and applied to another pre-buy agreement or be used to purchase any product sold by Jernigan Oil.
5. If I do not purchase enough gas for this heating season under this contract:

_____ a. I wish to continue to be considered an AUTOMATIC until I discontinue.
_____ b. I wish to become a call in customer at which time it could take up to 1-5 working days to get my delivery and will be charged the regular home heating price prevailing at the time of delivery.

I agree to the above terms and conditions of this Pre-Buy Agreement for the 2026-2027 heating season.
