CO READINGS 01 ppm (Based on the U.S. Consumer Product Safety commission, readings should be below 30ppm.)

DISCLAMIER: This Safety Check/Leak Check covers Propane/Natural gas items and equipment visible and accessible to the service representative and represents the conditions existing on this date. It does not cover latent or manufacturing defects, the internal working of equipment, structural components, or high temperature plastic vent (HTPV), and cannot be construed to cover future or unforeseen deficiencies.

I, Kelly And Jason Baker

Know how to turn off gas in case of emergency,
Have smelled propane/natural gas and can detect its odor,
Have received the consumer safety information,
I am satisfied with the service work performed.

Customer Signature

A handwritten signature in black ink, appearing to read "Dan Branton", enclosed within a rectangular border.
