We removed and discarded the old existing dual fuel system. We installed a new American Standard 4.0 ton 15Seer dual fuel system that reconnected to your existing ductwork, gas line and electrical wiring. Return duct was enlarged that connects to the two 20x20 return grills. Outside unit sets on a pad. One new thermostat with outdoor sensor and one carbon monoxide detector were installed. We supplied all materials and labor to install this equipment.

Paid with ck 502256770
