Prep your home for Delivery Checklist:

Walk the Path:

- Are the doorways, hallways, and corners wide enough for the new appliance?
- Is the path clear (stairs, furniture, islands, etc.)?

Check your Connections:

- Water connections must be within 6 feet of the appliance on the same floor.
- Water shut off valves must be within 6 feet of the appliance on the same floor.
- Gas connections must be within 5 feet of the appliance on the same floor.
 - Gas connections must be purchased separately.
 - Note: May require separate installation appointment and fee depending on market.

For deliveries with Recycled Appliance Pick Up or Movement

- Ensure old appliance is unplugged and emptied, prior to delivery team arrival.
- Recycled Appliances are a 1-for-1 for movement or pick up.

Someone over the age of 18 must be home to accept delivery.

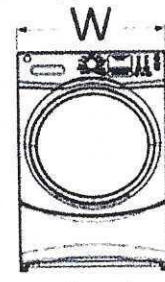

Measure Twice: Deliver Once! Review the following information prior to delivery and contact the store if the in-home dimensions are smaller than the appliance dimensions.
