**CUSTOMER AUTHORIZATION**

We, Thermo Direct Inc. have been authorized to perform work in the amount of \$8,296.00

Our warranty is limited to the work performed above and does not cover any subsequent damage unrelated to scope of work listed above. Any service call requested that is outside of the warranty time and coverage will result in \$99 service fee or the service fee for your area. All service fees will be due at the time of the service call. Parts/Materials that are ordered and cancelled prior to job completion will incur a 15-25% restocking fee.

Labor warranties on System replacement are for 1 year unless otherwise stated on the estimate. This warranty is limited to system defect and does not cover user error, any pre-existing conditions or circumstances beyond our control. This includes acts of nature, acts of God, or any other environmental circumstances beyond our control.

Labor warranties on Ductwork replacement are for 2 years. This warranty does not cover any pre-existing conditions or circumstances beyond our control. This includes acts of nature, acts of God, or any other environmental circumstances beyond our control.

By signing below, my signature constitutes my authorization for Thermo Direct, Inc. to perform the scope of work outline above. I understand and agree to the above warranties associated with the authorized work. I acknowledge and agree to release Thermo Direct Inc. from any and all liability unrelated to the authorized scope of work.
