Congratulations, your Limited Warranty registration was successfully submitted.

Please retain Proof of Purchase for your Product(s) (i.e., invoice) to verify limited warranty for any future claims.

For complete Limited Warranty terms and conditions, please refer to the Limited Warranty document that accompanied your product(s) or contact your installing dealer for assistance.

Registrations completed on or after August 1, 2011:

A transfer option is available for a \$99 fee provided the limited warranty transfer is complete and the transfer fee is paid in full within ninety (90) days from the date of closing on the sale of the residence. The subsequent purchaser will retain either: (1) the balance of the base limited warranty term, if any, as measured from the Commencement Date; or (2) if the Product(s) was registered in accordance with the terms, the balance of the registered limited warranty term as measured from the Commencement Date. Transferability restrictions may vary by state. Please check the limited warranty document that accompanied your Product(s) for details.

Florida Residents Only:

Beginning July 1, 2024, this website is for product registration. Failure to complete this product registration does not diminish any warranty rights or decrease the limited warranty length. The sale of residential property that includes an HVAC system as a fixture to the property occurs on or after July 1, 2024, the manufacture's limited warranty is still in effect on the HVAC system or a component of the system.
