RETURN POLICY ON MAJOR APPLIANCES. Before a customer either accepts delivery or takes an order home from the store, major appliance products (including refrigerators, washers, dryers, ranges, dishwashers, and some microwaves) should be inspected for defects or damage. If any exists, the customer should notify the driver about damages to learn about their options. If the customer does not wish to pursue additional options on the damaged item, they should refuse the delivery. Once delivery is accepted or a product is removed from the store by a customer, the product may be returned if the defects and/or damage are identified and reported to The Home Depot by calling (800) 455-3869 within 48 hours of delivery or the time of pick-up at the Service Desk.
