02/23/2026 - Technician: 502 ASHLAND REHBINE - Work Performed: Installation - Removed two broken tank water heaters, mounted and plumbed Rinnai tankless water heater. Leak check successfully passed on both gas and water. Ran exhaust outside, installed condensate pump. Water heater runs flawlessly. Took one tank water heater back to shop for disposal, will need to return this week to pick up second water heater, install 3/8 line on condensate pump, install escutcheons, install air intake, strap pipe.
