NC PERF Safe Installation of Appliances Rebate Form

This form must be completed by a participating propane marketer. A safety inspection must be performed after the installation of each new qualifying appliance(s) and the acknowledgement of that inspection must be documented on this form in a manner acceptable to the NC PERF. Minimum requirements of the safety inspection are located on page 2 of this form.

This form and receipts showing purchase of each appliance must be submitted to the NC PERF for the customer to be eligible for consideration of any rebate(s). Failure to furnish all necessary documentation will result in the customer being declared ineligible for consideration of any rebate(s). The required inspections must be performed to conform to industry standard practices, NC Fuel Gas Code requirements, or local code requirements. The NC PERF and the Southeast Propane Alliance assume no liability for a customer being declared ineligible for consideration of any rebate(s).
